Architecture - Free eBooks Download

degree by the architecture that surrounds us each day at home, in the workplace, out shopping. Even during our leisure time, at the pool or in the football stadium or at the museum, architecture creates the necessary architectural environment for our activity. Without architecture, human society would be impossible.

The Story of Modern Architecture of the 20th Century

or master's degree in landscape architecture, covering a broad spectrum of design, science, and technical know-how. Topics include site design, historic preservation, planning, grading and drainage, horticulture, and even subjects like psychology. All 50 states require landscape architects to earn a license to practice.
