perceive the film takes (whether by its writer and/or its director), is an interpretation of its ideological meaning. Many films are overt attempts by their filmmakers to persuade audiences to their points of view. Others are more interested in raising various issues for audiences to think about.

### **Film Theory & Approaches to Criticism**

In film music it was found that an audience could be influenced into buying the character or mood state of an actor "rather than simply of a scene and its overall mood" if a theme, ballad, or motif was connected to the actor and repeated over and over, with tonal variations, no matter what the context.
