Chemical warfare (CW) involves using the toxic properties of chemical substances as weapons. This type of warfare is distinct from nuclear warfare and biological warfare, which together make up NBC, the military acronym for nuclear, biological, and chemical (warfare or weapons), all of which are considered "weapons of mass destruction" (WMDs). None of these fall under the term conventional ...

Blink-182 is the fifth studio album by American rock band Blink-182, released on November 18, 2003 by Geffen Records. Following their ascent to stardom and success of their prior two releases, the trio was compelled to take a break and subsequently participated in various side projects (Box Car Racer and Transplants). When they regrouped, they felt inspired to approach song structure and ...
