The Elementary and Secondary Education Act (ESEA) was passed as a part of United States President Lyndon B. Johnson's "War on Poverty" and has been the most far-reaching federal legislation affecting education ever passed by the United States Congress. The act was an extensive statute that funded primary and secondary education. It also emphasizes equal access to education and establishes high ...

Probability theory is the branch of mathematics concerned with probability. Although there are several different probability interpretations, probability theory treats the concept in a rigorous mathematical manner by expressing it through a set of axioms. Typically these axioms formalise probability in terms of a probability space, which assigns a measure taking values between 0 and 1, termed ...
