The easiest way would be to create a PDF file from the spool file and then email it to the requestor. There are many third party tools that allow you to be able to convert a spool file to PDF, but how can I do it just using native IBM i features? The method I am going to describe can only be used IBM i servers with either version 6.1 or 7.1 ...

AS/400 User's Guide

IBM used its financial strength to fund the expensive push into outsourcing, and the company placed informed bets on the future in areas such as IT utility services (i.e. business on demand) and hosted storage. But most important, the success of IBM Global Services came from something very simple: a clear understanding of customers' needs.
