South Africa is one of the most unequal countries in the world. It is often said to be the most unequal, but that is incorrect. A number of countries, for example Namibia and Seychelles, have higher gini coefficients (the measure most often used to measure income distribution) than does South Africa¹. There are a number of other countries that are clearly very unequal - some major oil ...

Twelfth grade, senior year, or grade 12 is the final year of secondary school in most of North America. In other regions it is also equivalently referred to as class 12 or Year 13. In most countries students then graduate at age 17–18. Some countries have a thirteenth grade, while other countries do not have a 12th grade/year at all. Twelfth grade is typically the last year of high school ...
