Of all published articles, the following were the most read within the past 12 months

## **On the Roads to Modernity: Conscience, Science, and**

roads retain their relevance for communication, that promise of a relatively seamless and free exchange of information and ideas among people, in the time of the telegraph, the telephone, and, more recently, the Internet.

## **Roads and Their Modernity in Pakistan**

Lyotard, Jacques Derrida, and others deny social theory's capacity to articulate modernity's complex contours and to contribute to progressive social change. Postmodernists contend that critical perspectives on contemporary society require the demolition of the grand narratives and totalizing theories of the modern tradition.
