I am going through a Letter of the Week study with my Four and Two. Along with reading books, doing crafts, and forming letters, we do a lot of letter-themed math. I was having trouble finding things for letter L -- until I decided to do all ladybugs! Since their big sister is just finishing kindergarten, we did loads of ladybug math appropriate for preschool, kindergarten, and first grade.

Here it is, the last installment on my three part lesson plan series. After discussing the concept of Bansho and Gallery Walk, we move onto another instructional strategy that supports the development of mathematical thought. This last part is called Math Congress. While every child's solutions are valuable, we as teachers are always in need to be effective communicators and efficient in the ...
