Review Paper: Leadership styles

Transformational leaders inspire, energize, and intellectually stimulate their employees. The author argues that through training, managers can learn the techniques and obtain the qualities they need to become transformational leaders.

From transactional to transformational leadership

Abstract. This case study investigates the impact of leadership stage development in transformational change initiatives. In particular, it looks at how the structure and characteristics of leadership teams determine large change outcomes in organizations.

Leadership Stage Development and Transformation

The morality of transformational leadership has been sharply questioned, particularly by libertarians, "grass roots" theorists, and organizational development consultants.

Paul Goodman (September 9, 1911 " August 2, 1972) was an American novelist, playwright, poet, literary critic, and psychotherapist, although now best known as a social critic and anarchist philosopher. Though often thought of as a sociologist, he vehemently denied being one in a presentation in the Experimental College at San Francisco State in 1964, and in fact said he could not read ...

Emotional Intelligence and Effective Leadership - JBSQ

Culture change is a term used in public policy making that emphasizes the influence of cultural capital on individual and community behavior. It has been sometimes called repositioning of culture, which means the reconstruction of the cultural concept of a society. It places stress on the social and cultural capital determinants of decision making and the manner in which these interact with ...
