True Colors is a metaphor. Each person is a unique blend of the four colors or stylesâ€”a spectrum. There are no bad or good colors. There are wide individual variations within each color spectrum. Each of us has a different and unique personality; however, there are commonalities that we share.

Discovering Our Personality Style Through TRUE COLORS

One popular assessment is the True Colors Personality Assessment. This assessment asks a series of questions to rate your likes and dislikes. The assessment will then rate your personality as either a blue, green, orange or gold personality type. You may be a combination of two colors, but usually an individual will exhibit one primary color.
