Dan's Machine Tool, Inc. is an authorized dealer & distributor of CNC or manual lathes, mills, saws and other manufacturing equipment and machines. Contact us today for more information on the products we represent.

Distributor of CNC Lathes â€™ Mills & Saws Manufacturing

A metal lathe or metalworking lathe is a large class of lathes designed for precisely machining relatively hard materials. They were originally designed to machine metals; however, with the advent of plastics and other materials, and with their inherent versatility, they are used in a wide range of applications, and a broad range of materials. In machining jargon, where the larger context is ...
