Get your business on Google for free with Google My Business

Google My Business

Google's Vic Gundotra (update: now ex-Google, but this holds strong!) says that Google have put a social layer over Google's products and services, and this seems to be the best way to describe to people what Google+ is about. It is not just a social destination, although that is a part of it, but it reaches into everything Google is doing.

Google Plus For Business and Individuals - Plus Your Business

First Google+ will ask you to upload an image, then enter your employer, school and where you live. Then click finish. From here, you will need to go directly to your profile to enter the rest of your information. To do so, click on the profile icon on the left hand side of your Google+ home page.
