A war poet is a poet who participates in a war and writes about his experiences, or a non-combatant who writes poems about war. While the term is applied especially to those who served during World War I, the term can be applied to a poet of any nationality writing about any war, including Homer's Iliad, from around the 8th century BC, and the Old English poem The Battle of Maldon, that ...

The term Renaissance man or polymath is used for a very clever person who is good at many different things. The idea comes from a time of history called the Renaissance which lasted from about 1400 to about 1600. One of the most famous people alive during this time was Leonardo da Vinci. He was most famous as a painter, but he was also a scientist, engineer and mathematician.
