Urban sprawl or suburban sprawl describes the expansion of human populations away from central urban areas into low-density, monofunctional and usually car-dependent communities, in a process called suburbanization. In addition to describing a particular form of urbanization, the term also relates to the social and environmental consequences associated with this development.

2017 Superintendent Advocacy Challenge: With a new year, a new Congress, and a new administration, now is as good a time as ever to issue an advocacy challenge. And while here at AASA we focus on federal advocacy, the premise of this series of challenges can apply just as readily to state and local advocacy.
