Information is the key to good business decisions. There is a great deal of good information freely available on the Web. The following websites provide a starting point for your business research activities.

## **Online Business Resources | NC SBTDC**

Ubuntu Linux is a Debian derivative distribution of Linux aimed at being fairly easy for someone new to the Linux environment - the ordinary user - and having a somewhat different and thereby hopefully faster version release process. Their motto is "Linux for Human Beings", and Canonical Ltd. in the UK supports them professionally. This image was inspired by the IRC chat clients found in the ...

A buzzword is a word or phrase, new or already existing, that becomes very popular for a period of time. Buzzwords often derive from technical terms yet often have much of the original technical meaning removed through fashionable use, being simply used to impress others; although such "buzzwords" may still have the full meaning when used in certain technical contexts.
