

weird fiction 101 weird pdf

The new weird is a literary genre that began in the 1990s and developed in a series of novels and stories published from 2001 to 2005. M. John Harrison is credited with creating the term "New Weird" in the introduction to China Miéville's novella *The Tain* (2002). The writers involved are mostly novelists who are considered to be parts of the horror or speculative fiction genres but who often ...
