At the height of asylum invasion hysteria, Amini insisted that his face was a true face of Britain. After 11 days of protest and after the British Government withdrew its appeal, Amini allowed the stitches to be cut open stating to a journalist that "getting rid of the stitches to open my mouth is not a sign of surrender."

Questions of asylum and immigration have taken centre stage in national and international debate and figure prominently in the domestic political agendas of wealthy states and nations. In Australia, Europe and the US, harsh and punitive asylum and immigration laws are being enacted incrementally and asylum-seekers are subject increasingly to detention.
