Leading health and safety at work Actions for directors

A board of directors is a recognized group of people who jointly oversee the activities of an organization, which can be either a for-profit business, nonprofit organization, or a government agency. Such a board's powers, duties, and responsibilities are determined by government regulations (including the jurisdiction's corporations law) and the organization's own constitution and bylaws.

Review of the role and effectiveness of non-executive directors Derek Higgs January 2003

Review of the role and effectiveness of non-executive

The push for diversity has created discomfort for some directors. At a recent director education conference at which I was a speaker, I witnessed an argument between an institutional investor and an attendee who objected strenuously to the investor's push for board diversity. 9 After the attendee ...
