A shoehorn or shoe horn (sometimes called a shoespooner, shoe spoon, shoe schlipp, or shoe tongue) is a tool with a short handle that flares into a longer spoon-like head meant to be held against the inside back of a snug-fitting shoe so that a person can slide the heel easily along its basin to the inner sole. Shoehorns have the same basic shape but the length or strength of the handle varies.

How to Play the French Horn. The French horn is one of the most difficult of the standard orchestral wind instruments to play. Mastery happens through dedicated practice and perseverance. The reward of playing this versatile instrument is...

How to Play the French Horn (with Pictures) - wikiHow

The French horn (since the 1930s known simply as the "horn" in some professional music circles) is a brass instrument made of tubing wrapped into a coil with a flared bell. The double horn in F/B ^â™- (technically a variety of German horn) is the horn most often used by players in professional orchestras and bands. A musician who plays a French horn is known as a horn player or hornist.
