Widening participation in higher education: 2017 - GOV.UK

If we do not find ways to reduce the growing inequality in education outcomesâ€”between the rich and the poorâ€”schools will no longer be the great equalizer we want them to be. Has the academic achievement gap between students from high-income and low-income families changed in the last few decades ...

Educational inequality is the unequal distribution of academic resources, including but not limited to; school funding, qualified and experienced teachers, books, and technologies to socially excluded communities. These communities tend to be historically disadvantaged and oppressed. More times than not, individuals belonging to these marginalized groups are also denied access to the schools ...

Education in Scotland is overseen by the Scottish Government and has a history of universal provision of public education, and the Scottish education system is distinctly different from those in the other countries of the United Kingdom. The Scotland Act 1998 gives the Scottish Parliament legislative control over all education matters, and the Education (Scotland) Act 1980 is the principal ...
