Babylon 5 (1993–1998), created by J. Michael Straczynski, is a science fiction television epic about Babylon 5, an Earth-governed space station built to promote harmony between interstellar civilizations. It is unusual in its focus on a story arc which dominates the events through its five-year run.

Muslims account for over twenty percent of the population of the world and more than that fraction of prime-aged girls. For religious and cultural reasons these girls tend to be quite inaccessible to outsiders and often have their romantic and sexual choices restricted or simply made on their behalf.
