What is Sexual Harassment - United Nations

Youth empowerment is a process where children and young people are encouraged to take charge of their lives. They do this by addressing their situation and then take action in order to improve their access to resources and transform their consciousness through their beliefs, values, and attitudes. Youth empowerment aims to improve quality of life.

Youth empowerment - Wikipedia

Economic empowerment is, to be sure, a crucial aspect of any significant push to make women full and equal participants in their communities. Strengthening the economic role of women is also critical to reducing poverty, improving health and education outcomes, and achieving other broad development goals. 4 And the programs created by corporations in recent years to support this kind of ...
