Worker Participation: Empower Workers With Safety and

Workers' self-management (also referred to as self-management, labor management, autogestióⁿ, workers' control, industrial democracy, democratic management, and worker cooperative) is a form of organizational management based on self-directed work processes on the part of an organization's workforce. Self-management is a characteristic of many forms of socialism, with proposals for self ...

Workers' self-management - Wikipedia

The workforce or labour force (labor force in American English; see spelling differences) is the labour pool in employment. It is generally used to describe those working for a single company or industry, but can also apply to a geographic region like a city, state, or country. Within a company, its value can be labelled as its "Workforce in Place". The workforce of a country includes both the ...
