World history or global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so ...

World history - Wikipedia

Advanced Placement World History (also known as AP World History, WHAP, AP World or APWH) is a college-level course and examination offered to high school students through the College Board's Advanced Placement Program designed to help students develop a greater understanding of the evolution of global processes and contacts as well as interactions between different types of human society.

AP World History - Wikipedia

The American Documents for the Study of History AMDOCS is maintained by an unfunded group of volunteers dedicated to providing quality materials for free public access, and was founded in 1993.
