

world studies latin america pdf

The history of Latin America during World War II is important because of the significant economic, political, and military changes that occurred throughout much of the region as a result of the war. In order to better protect the Panama Canal, combat Axis influence, and optimize the production of goods for the war effort, the United States through Lend-Lease and similar programs greatly ...

Latin America during World War II - Wikipedia

Latin America is a group of countries and dependencies in the Western Hemisphere where Romance languages such as Spanish, French and Portuguese are predominantly spoken; it is broader than the terms Ibero-America or Hispanic America. The term "Latin America" was first used in an 1856 conference with the title "Initiative of the America. Idea for a Federal Congress of Republics" (Iniciativa de ...
