From November 5, 2007, to February 12, 2008, all 12,000 film and television screenwriters of the American labor unions Writers Guild of America, East (WGAE), and Writers Guild of America West (WGAW) went on strike.. The strike sought increased funding for the writers in comparison to the profits of the larger studios.

The first commercial typewriters were introduced in 1874, but did not become common in offices until after the mid-1880s. The typewriter quickly became an indispensable tool for practically all writing other than personal handwritten correspondence. It was widely used by professional writers, in offices, and for business correspondence in private homes.

Source citations in the Turabian manual come in two varieties: (1) notes and bibliography (or simply notes) and (2) author-date. These two systems are also sometimes referred to as Chicago-style citations, because they are the same as the ones presented in The Chicago Manual of Style.. If you already know which system

to use, follow one of the links above to see sample citations for a variety ...
