

### **writing in public relations pdf**

Public relations (PR) is the practice of managing the spread of information between an individual or an organization (such as a business, government agency, or a nonprofit organization) and the public. Public relations may include an organization or individual gaining exposure to their audiences using topics of public interest and news items that do not require direct payment.

This document describes a general approach to writing white papers. It answers questions like: • What is the objective of a white paper? • How is it different from other documents with similar content? • How does it work? • What are the key parts of a white paper and how are they organized? I recognize that different authors have different views on this subject
