The astral body is made up of finer substance than the etheric body but not as fine a material as that of the mental body. In sleep, we slip out of the etherico-physical body and dwell in our astral and mental bodies. In these, especially the astral body, we tend to move about in the astral world which is almost an exact replica of

The Techniques of Astral Projection - Mystic Knowledge

The astral body is sometimes said to be visible as an aura of swirling colours.[5] It is widely linked today with out-of-body experiences or astral projection. Where this refers to a supposed movement around the real world, as in Muldoon and Carrington's book *The Projection of the Astral Body*, it conforms to Madame Blavatsky's usage of the term.
